

Opportunities for Employers

Partner with Triangle, Inc.

We have the right type of person to join your team and help your business thrive! Triangle, Inc. is a nonprofit dedicated to empowering individuals with disabilities to achieve their personal and professional goals. Our services ensure alignment between qualified candidates and your unique business needs.

We work with our participants to develop skills and prepare them for a wide array of jobs throughout their local communities—serving Greater Boston from Salem to Brockton. We have experience working in many fields, including: office support services, hospitality, medical device packaging, printing, environmental services, product assembly, and many more. Triangle, Inc. is eager to partner with you to find cost-efficient and effective staffing solutions to meet your needs.

Supported Employment

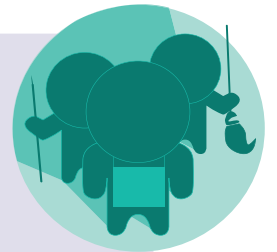

Triangle, Inc. works with employers to identify their business needs and then sends small groups of qualified employees to meet them. All of our Supported Employment teams are led by a Triangle, Inc. job coach, at no cost to you, who ensures that the job is completed in a professional and timely manner. This program's flexible structure offers a wide array of unique benefits for you that are:

Convenient

Cost-effective

Structured

Consistent

Individual Employment

We know not all organizational needs and capabilities are the same, therefore, we provide candidates to you that are prepared to work independently alongside the rest of your workforce. Our job coaches remain available to provide an array of supports that individuals may need to successfully join your team and thrive in their position. The flexibility of these potential employees can fill a number of roles at your job site(s), including:

Full & part-time positions

Seasonal employment

Paid internships

Career-Track Employment

Triangle, Inc. fosters relationships with a variety of employers in growth industries such as Allied Health and Culinary Arts. We connect them with credentialed individuals who are ready to fill high-demand positions in specialized fields including certified nursing assistants and ServSafe certified food prep specialists. We are eager to connect you to candidates that align with your employment needs. Our applicants are looking to advance their careers and can provide:

Credentialed Candidates in health care & food service industries

Dedicated individuals that exceed expectations

Qualified team members eager to build a career
