

Culinary Arts Career Pathway

Various MA locations • Preparation for entry-level careers • Hands-on experience

Triangle, Inc. offers a credential based Career Pathways for a Career in the Culinary Arts!

The Culinary Arts Fundamental program is a four-week customized program taught by Bunker Hill Community College culinary arts faculty that focuses on hands-on skills in the kitchen. Individuals who complete the program and pass the exam receive their ServSafe Food Handler Certificate of Achievement. Students learn basic knife cuts, proper use of kitchen and bakeshop equipment, basic food safety and sanitation rules, various cooking and baking methods, and customer service and communication skills to help prepare them for entry-level careers in the food service industry.

Individual Employment

A few of our organizational partners include Sodexo, Encore, Bunker Hill, and selective restaurants and caterers in the area. We know not all organizational needs and candidates capabilities are the same, therefore, we provide job coaching to support employers and employees throughout the employment process.

we are all people with ability
