

Workforce Development

Triangle, Inc. - Salem

Triangle, Inc. works with individual job seekers to provide assessments, job placement, and ongoing employment supports to both youth and adults. The organization provides supports to individuals referred by the Massachusetts Rehabilitation Commission, Department of Transitional Assistance, and Department of Developmental Services. Triangle, Inc. Employment Specialists work with job seekers one-to-one and in small group settings to help each person identify and pursue their short-term and long-term career goals.

Pre-Employment Transition Services (Pre-ETS) for North Shore Students

Triangle, Inc. is a contracted provider of Pre-ETS services through the Massachusetts Rehabilitation Commission (MRC). This program emphasizes career awareness, exploration, and preparation to equip young people with the skills needed for success in their future careers. These sessions are offered in partnership with local school districts throughout the North Shore through the Salem MRC office.

Workforce Development & Career Services

Triangle, Inc.'s Workforce Development team works with individual job seekers and inclusive employers to create win-win job placements throughout the North Shore. The organization's employment specialists are experts in providing skills and interest assessments, job search assistance, interview prep and coaching, and, once placed, ongoing employment supports to both youth and adults. The organization also offers credential training programs for individuals entering competitive growth industries.

NEW! Triangle, Inc.'s Testing Center

Triangle's new Testing Center will offer high school equivalency testing and industry certifications/credentials through computer-based testing. The center will provide a comfortable testing environment for individuals with disabilities, including all needed accommodations such as accessible computers and equipment. In addition to serving current Triangle participants, students, and clients, the center will be accessible to the larger North Shore community – providing a much-needed local testing center option.
