

Pre-Employment Transition Services

May 2021 - August 2021 Workshops & Training Schedule

May:

IMPACT for Young Women:

May 3rd
May 10th
May 17th

3:30 - 4:30pm

IMPACT for Young Men:

May 6th
May 13th
May 20th

3:30 - 4:30pm

Join Triangle for a relevant Pre-ETS experience. Students will be taught relationship skills by industry leader IMPACT. The three-part training series will cover building healthy relationships, assertive communication, training on behavior in certain social situations, the impact of gender socialization and advocacy skills. By the end of the training, students will have a clearer vision of how to take control of their lives and care for themselves as they mature and prepare for life after high school. Triangle will offer this training in two parts. One training for young women and the other for young men.

June:

Financial Literacy Training:

June 2nd June 9th
June 16th June 23rd

3:30 - 4:30pm

Students have spent the year learning valuable soft skills in preparation for the working world during Work Readiness Training. Others have taken a journey through Job Exploration Counseling. Some have learned self-advocacy skills and others, skills necessary for success in higher education during the Counseling in Post-Secondary Education unit. Work Based Learning Experiences have been offered remotely each month, where students are exposed to different careers. All training components were meant to empower students and make them more independent while preparing for future jobs. Our hope is that through employment, students move on to live independent, full lives. In June, Triangle will teach financial literacy to further prepare students for the working world and provide another opportunity to grow and gain independence.

July:

Work Readiness Training:

July 13th July 20th July 27th
July 14th July 21st July 28th
July 15th July 22nd July 29th

10:00 - 11:00am

August:

Job Exploration Counseling:

August 3rd August 10th August 17th
August 4th August 11th August 18th
August 5th August 12th August 19th

10:00 - 11:00am

Pre-Employment Transition Services

May 2021 - August 2021 Workshops & Training Schedule

Work-Based Learning Experience

This includes, but is not limited to, educational employment opportunities that meet the student's needs, interests, and ability level, and will change as they gain more experience and exposure. The goal is to meet the student at their level of work experience and to expose students to different careers and industries as they learn about the world of work.

Triangle will offer Work-Based Learning Experiences on a monthly basis. Experiences may consist of guest speakers, virtual tours, job shadows, etc. Currently, Work-Based Learning Experiences are remote experiences. Triangle hopes to be able to offer in person Work-Based Learning Experiences when safe to do so.

Paid Internship Opportunities

Janitorial Internship:

Starting the week of April vacation with additional shifts to be offered throughout the spring and summer

This is a competitive application process where students will need to apply and interview (over Zoom). Students will be supervised, but should possess independent work skills. Students should be able to lift, pull, twist, bend, etc. Students who are experienced or interested in janitorial work are encouraged to apply.

Light Manufacturing Internship:

Shipping and receiving, packaging, sorting

This is a competitive application process where students will need to apply and interview (over Zoom). Students will be supervised, but should possess independent work skills. To be successful, students will need dexterity in their hands and fingers.
