25	26	27 WRT Tier 1 Class 2	28	29 JEC Class 2	30	31

PRE-ETS TRAINING COMPONENTS

Each class is 1.5 hours - 3:30-5:00pm over Zoom.

WRT (Work Readiness Training) Tier 1	The soft skills you need to be successful on the job: communication, professionalism, etc.
WRT Tier 2	The skills needed to land the job: resume writing and interviewing
WRT Tier 3	The soft skills needed to maintain employment and advance: navigating the job, scheduling, workplace etiquette, conflict resolution

CPSE (Counseling on Post-Secondary Education)	Focused on the major differences between High School and Higher Education and teaches the soft skills necessary for success in a more independent environment: settings and respecting boundaries with those unfamiliar, time management, problem solving and decision making.
SAT (Self-Advocacy Training)	Learning the importance of advocacy and how to professionally advocate for oneself. The place advocacy holds at work.

JEC (Job Exploration Counseling)	Self-exploration in relation to work and the labor market, as well as goal setting and vocational planning
Career Camp (In Person)	Career Camps are provided on school vacation weeks and over summer vacation. They consist of 4- or 5-day training, 5 hours a day, over a week. Career camps are meant to empower, expose, educate, and challenge students, helping to prepare for life after school and the workforce.
